## **Circle of Moms**

**Do you have a new baby?  
Are you looking for support?**

Circle of Moms is a support group for new parents and mothers who are breastfeeding. The group is led by an International Board Certified Lactation Consultant/Registered Nurse at Marshfield Medical Center.

Celebrate the ups and downs of being a new mom with other new moms. Bring your baby! There will be a new topic and/or speaker each week and a scale is provided to weigh your baby.
