Seed Mix Descriptions (continued) - Habitat Seed Designed for Wildlife

Clover Kandy (10# bag) - 1 bag plants 1 acre. Clover Kandy is the perfect blend of high protein clovers and other legumes providing the ultimate green browse for deer and turkey while providing nesting and brood-rearing cover for pheasants and quail as well as forage mix for turkey hunters. Can also be used for green firebreaks. Clover Kandy lasts 2-4 years before needing to replant. Mix components: Alsike Clover, Arrowleaf Clover, Berseem Clover, Crimson Clover, Ladino Clover, Red Clover and Alfalfa.

Big Buck Brassica (6# bag) - 1 bag plants 1 acre. Big Buck Brassica is the #1 seller for hardcore deer hunters. It's the perfect blend of forage turnips, radishes and other brassica varieties to attract and keep deer on your property all fall and winter. The high sugar content in the mature plants attracts and keeps deer where you want them. This mix grows fast, maturing in just 45 days. Mix components: A blend of six brassica varieties including Forage Radishes, Forage Turnips, Purpletop Turnips, Hybrid Forage Brassica, Rapeseed and Kale.

Whitetail Sanctuary (7.7# bag) - 1 bag plants 1 acre. Keep the pressure off and the native browse on by planting a permanent bedding area. Providing whitetails with needed native cover and forage will keep fawn recruitment and mature deer comfortable. Also provides great thermal cover during the fall and winter months. Mix components: Switchgrass, Indiangrass, Big Bluestem, Yellow Coneflower, Black-eyed Susan, Partridge Pea, IL Bundleflower, Wild Bergamot, Canada Milkvetch.

Tree Stand Treat (25# bag) - 25# bag plants 1 acre and is equal to 4 1/4 acre plots. This specialized fall attractant utilizes highly desired species by whitetails and is designed to perform equally well in low light or shaded areas as well as in open area situations. Mix developed to be planted late in summer and early fall with minimal site preparation to provide those late season benefits and will persist through winter and into spring. Mix components: Crimson Clover, Arrowleaf Clover, Rapeseed, Cereal Rye.

NOTE: Additional Signature Series Food Plot Mixes are available for purchase (25# bags). Contact the Wood County LWCD office for mix components and pricing if interested.
