### OFFICE OF CORONER

David A. Patton

DATE: January 02, 2024  
TO: Wood County Public Safety Committee

SUBJECT: Monthly Activity Report – December 2023

The following is a list of services rendered by the Wood County Coroner's Office for: December 2023.

#### Remarks:

Sadly, the month ended with a tragic motor vehicle accident on State Highway 10 in the Town of Auburndale. The mother of the victim, Michael Baugh, has asked if I could pass along her thanks to the following agencies: Wood County Sheriff's Department, Marshfield Fire and Rescue, Auburndale Fire and First Responders, Hansen-Schilling Funeral Home and the Wood County Coroner's Office. Sandra Wood, Michael's mother, would like to thank everyone involved. While she can't bring Michael back,

she knows everything was done. She is grateful that Michael's fiancé, Alyssa, though severely injured in the accident, is still alive. As she told me, "Because of everyone's actions that were involved, I got to hug and hold Michael one last time." From the first time I spoke to her, this was the most important thing she wanted.

In comparison from 2022 to 2023, overall, we had a reduction in death and calls for service in Wood County. The main reason, I believe, is that last year we had 76 Covid deaths and this year we had 5. Also, overdoses were reduced by 8 and autopsies were reduced by 6. We also performed more medical necessity autopsies and less suspected overdose autopsies in 2023. The only two categories that had increased were Falls, which we had one more fall related death in 2023 and UTV/ATV which we had two deaths in 2023 and none in 2022. Only one category, motor vehicle accidents remained the same at 7 for each year.

Respectfully Submitted,

David A. Patton  
Wood County Coroner

### Security Services December 2023 Report

For the month of December 2023, the total number of prohibited items prevented from entering the Courthouse are:

Guns -	0
Knives -	64
O.C. -	7
Misc. Items -	6

The miscellaneous items that were located were three (3) scissors, two (2) self-defense weapons and a set of metal chopsticks.

Security Services screened 5,905 people entering the courthouse in December. Security Services had 29 security requests from different departments within the Courthouse for the month and we had one (1) jury trial. We also served four (4) civil process paper, executed an eviction and fulfilled five (5) warrants.

Security Services handled seven (7) complaints in the jail this month. The reports were for criminal damage to property X 5, a fight and a possible sexual assault.

Additionally, On December 20<sup>th</sup>, we received a report of a pulseless, non-breather, male subject, in his vehicle by the entrance to the sheriff's department parking lot. When we arrived to the scene, a road deputy was already performing CPR on the older male subject. To make matters worse, the male subject had his toddler grandson with him. Eventually we were able to get enough information to locate a parent for the child, so they could pick him up. The male subject was transported to the hospital by ambulance.

During the Month of December, I utilize part-time employees for 29.5 hours to fill employee shortage hours. Several shifts ran short due to no part-time employees able to help.
