LaFontaine spoke in favor of allowing PEHP benefits to elected officials if they worked for the county a total of 20 years, elected and unelected.

CHILD SUPPORT  
AGENCY

**APRIL 2018**

### **MONTHLY REPORT TO THE JUDICIAL AND LEGISLATIVE COMMITTEE**

Prepared by Child Support Director Brent Vruwink

- I attended the Joint Legislative Committee meeting in Mosinee on March 12<sup>th</sup>.
- Tiffany Ringer and I visited Jackson Correctional on March 19<sup>th</sup> to answer questions and concerns inmates had in regards to their child support cases.
- Shannon Lobner and Lisa Voight will be attending a financial training in Oshkosh on April 5<sup>th</sup>.
- I will be attending the Department Head Meeting on April 5<sup>th</sup>.
- Shannon Lobner and I will be attending the Child Support Directors' Dialogue on April 19<sup>th</sup> and 20<sup>th</sup> in Wisconsin Dells.
- We are recruiting for the case worker position that was vacated by Tiffany Ringer. We wish her well in her new position as the Wood County Register of Deeds.
- The Bureau of Child Support informed counties they will be opening up the application process for the Supporting Parents Supporting Kids (SPSK) program in May. I discussed this with you last year during the budget process and you were supportive of Wood County applying to be part of the expansion. Once the application process is made available I will share the details with you. If it looks as though we can implement the program without additional county levy I will be asking you for permission to apply to be part of the program. The SPSK program is currently being offered in Brown and Kenosha counties and the state is expanding the pilot to three additional counties. I am certain it will be a very competitive application process.
- The State of Wisconsin Bureau of Regional Operations has asked me to help them facilitate a Job Center 101 event. The idea is to help train child support workers on the different resources that are available to them. We will be educating individuals on the different programs and services that are available to them.
- Our performance numbers are on track. Our current support collection rate is 81.29% which is an increase of 1.30% from last year.
- The current IV-D case count is 3,917.

### MONTHLY REPORT TO THE JUDICIAL AND LEGISLATIVE COMMITTEE

April 2018

1. Opioid Litigation. The federal government has provided notice to the federal district court that the feds may be moving to intervene so as to participate in this litigation. In that the judge has indicated a desire to obtain a global resolution to the opioid crisis with respect to both past and future claims, I think there is a good chance the feds will end up in the case. It is unknown at this time if the joinder of the federal government would have any impact on Wood County's part of this case, in particular, the allocation of damages.
2. Sullivan discrimination claim. Ms. Sullivan has filed a complaint with the ERD/EEOC alleging her termination from county employment was based upon her age. The county's insurer has assigned counsel to represent the county's interest in this matter.
3. Glodowski litigation. As you will note in the accompanying materials, the estate of Amanda Glodowski has brought suit in federal district court against Wood County. Simply stated, the action claims the county did not act properly in taking actions that might have prevented Ms. Glodowski from committing suicide in the county's jail in 2017. Our insurance carrier has assigned defense counsel to handle the case. I will keep the committee posted on the major events attendant to the case. As always, if you have any questions or concerns about this matter, please feel free to contact me.
4. Half-time Legal Secretary. The committee has supported my request to take funds from the contingency account to create a half-time legal secretary position yet this year. I had vacillated on whether to proceed with this request this year or wait until next year by seeking to place the funds in the budget. It seemed appropriate to put something in my monthly report about this topic so that the supervisors not on this committee have a chance to consider the rationale for proceeding. I am going with this year because lately we have been having a difficult time, at best, keeping up with the work. Most of the legal secretary work is time sensitive and problems faced by our clients (social workers and Norwood for instance) and their clients are exacerbated by not being able to timely address them. Often added costs to the county are attendant to the delays but they are difficult to project in a quantifiable fashion. Another aspect to time delays is quality of life issues for the recipients of the legal services. The amount of work isn't always excessive but it is more and more of the time and there are other things that need being done that realistically are not going to get addressed without help.

My intention of seeking a fund transfer from the contingency account is based upon the recognition that there is no way my office will be able to cover the added costs here with our small and tight budget. I don't feel comfortable leaving it to the end of the year to address the shortfall in budgeted funds caused by the increase in expenditures the new position would cause as that is not how I construe the mandates of Wis. Stat. s. 65.90(5). Well, I should be able to answer any questions you have at the meeting but if you are looking for any statistics, please give me a heads up so that I can retrieve what data we have.

5. County Board Rules. With the recent passage of the rule providing for the main committees of the board to select their chairs via vote of the respective committee as opposed to the appointment by the county board chair, some questions have arisen in regards thereto. I wanted to share with this committee, which is the "rules" committee, what the questions and answers were. First, can a member of a main committee who is not a county board supervisor (such as we have on CEED and H&HS) be elected as the committee chair? My response was no, we haven't allowed for this in the past and shouldn't at this time. There is no provision for this in the rules but this has been the past practice of the board and nothing with respect to the recent rule modifications changes this. Second, do the non-supervisor members of the main committees vote on who will be the committee chair? Yes. The new rule provides that "In all main committees the members thereof shall elect the chairperson..." There is no limitation in the rule with respect to whether the member of the committee is a county board supervisor or not; consequently, all committee members have a right and duty to vote on the selection of the chair. One other observation that would seem to be relevant at this time, that being, pursuant to rule #35, the election of the county board chairperson and vice-chairperson shall be by secret ballot.
6. Goals. I have prepared several memos to the board already but hadn't touched my second goal yet, that being preparing an open meetings law power point presentation for county board supervisors (and staff) that would be available on the county's intranet site. I will be working on this project over the course of the next month or so and wanted to give you all a heads up as to what I am up to so that you could share any concerns or suggestions.
